NONRESIDENT BACHELOR, MASTER AND DOCTORAL DEGREES FOR THE ACCOMPLISHED INDIVIDUAL

Columbia Pacific University, the largest nonresidential graduate university in the U.S., has been authorized by the State of California to grant nonresident Bachelor, Master and Doctoral degrees in numerous fields, including Business, Psychology, Engineering, Health, and Education.

Degrees are earned through a combination of full academic credit for life and work experience and completion of an independent study project in the student's area of special interest. The time involved is shortened due to accelerated, self-paced learning. The cost is under $2,500.

Columbia Pacific University is attracting accomplished individuals, members of the business and professional community, desiring to design their own projects and receive academic acknowledgement for their personal achievements. May I send you more information?
